

VentureLoop Jobs

Contributed by Administrator
Monday, 28 April 2008

Founded in 1999, VentureLoop claims to be the worldwide leader in job postings focused on venture-backed startup companies. They say that many of the job postings found on VentureLoop cannot be found on any other job board. VentureLoop connects startups, talent, entrepreneurs and resources. They claim to have long-term relationships with venture capital firms, entrepreneurial individuals and service providers. To check out their job board and test for yourself go to:http://www.ventureloop.com/ventureloop/job_search.php
